

Fleet Support. Jobsite Solutions. Project Readiness.

All 5's Construction Equipment Group delivers reliable jobsite equipment solutions back by proactive maintenance and responsive service. We provide the right machines, when and where you need them – built to perform, built to last, and ready to keep your crews moving.

Core Competencies

Our team's capabilities demonstrate a depth of experience in:

- **JOBSITE EQUIPMENT**

A modern, well-maintained fleet of loaders, excavators, compact track machines, lift equipment, and support tools built for demanding jobsite conditions

- **FLEET SUPPORT**

Proactive service and inspections to maximize uptime, extend equipment life, and ensure dependable performance in the field

- **RENTALS + DEPLOYMENT**

Flexible rental options and rapid deployment to scale equipment resources to meet project needs – on time and on budget

- **MAINTENANCE COORDINATION**

Coordinated maintenance and vendor partnerships that keep equipment running safely, efficiently, and in compliance with industry standards

- **FIELD RESPONSIVENESS**

Responsive support and on-site troubleshooting to minimize downtime and keep your project on track

Rapid Mobilization

Our team can quickly assess existing site conditions, identify deficiencies, and provide the skilled labor and management resources to safely restart construction operations.

All 5's provides the accountability, visibility, and field expertise owners can count on.

Why All 5's

- **READY WHEN NEEDED**

The right equipment, available when and where your project demands it

- **RELIABLE SUPPORT**

Experienced team and proven processes that keep equipment and crews productive

- **SOLUTION FOCUSED**

Approach designed to reduce downtime, protect schedules, and deliver consistent results
